

## Dry Your Clothes on a Wet Washday With a New Perfection Oil Heater

When clothes can't be hung outside, and must be dried in a room or cellar, the New Perfection Oil Heater quickly does the work of sun and air. You can hang up the wet clothes, light your Perfection Oil Heater, open the damper top, and the heat rises and quickly dries the clothes.

Do not put off washing to await a sunny day in order to avoid mildew. Dry your washing any day with hot air from a

**PERFECTION**  
SMOKELESS  
OIL HEATER

Absolutely smokeless and odorless

It gives just as much heat as you desire. It is safe, odorless and smokeless.

It has an automatic-locking flame spreader, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back, so the wick can be quickly cleaned. Burner body or gallery cannot become wedged, because of a new device in construction, and can always be easily unscrewed for reworking.

An indicator shows the amount of oil in the font. Filler-cap does not need to be screwed down, but is put in like a cork in a bottle, and is attached to the font by a chain. Finished in Japan or nickel, strong and durable, well-made, built for service and yet light and ornamental. It has a cool handle and a damper top.

Standard Oil Company  
(Incorporated)

### Bad Cutting Scrape

Three brakemen named Webster, Green and Springer mixed up in a quarrel last night and the former used a knife with telling effect, cutting both Greene and Springer who are half brothers, in a dangerous manner. The two injured men were taken to the hospital where the cuts were sewed up. Green was cut from the head of his left ear to the

point of the chin, clear to the bone. He also received several cuts about the face and body, a bad one being on the right shoulder. Springer received five bad cuts the most dangerous being in the lung and abdomen. Officers searched the town for Webster last night but so far he has not been caught. —Hoisington Dispatch.

## THE BOSTON STORE.

**C. Samuel's Co.**  
GREAT BEND, KS

Watch for our  
Big Xmas  
ANNOUNCEMENT

ELLINWOOD.  
From The Leader.

Joe Schermuly departed Sunday for K. C. on a business trip. H. C. Arnold left yesterday morning for Wichita to eat turkey with his daughter.

Ed Stanley and wife returned Friday to their home in Belpre after a visit with Chas. Hinderlitter and family.

Mr. and Mrs. John Rohl and family departed yesterday for Ok. City, where they will spend the next few weeks visiting relatives.

Mrs. Tony Auchstter returned from Spearville Monday where she has been nursing Dennis Schaeffer, who has been ill from blood poison.

Miss Francis Koelsch and sister, Mrs. Sarzen have returned from K. C. They will visit here before returning to their home in Denver.

J. J. Klein and wife will return to their home in West Chicago the last of the week. Mr. Klein was called here by the death of his father and has been visiting relatives since.

Mrs. Josephine Gollinger, who has been spending the last two weeks with her father, sister and two brothers, the Itens and Mrs. Grant, left Tuesday for Liberty, Mo., called by the illness of her husband.

The Hines brothers arrived Wednesday morning from Hutchinson with two car loads of supplies and will commence work at once on the theatre putting in the heating and plumbing. The Hines brothers are sons of Mike Hines and will stay with him while in our city. With this work going on this sounds as though it will not be very long until the new theatre is opened, an event in which the Ellinwood public is interested.

Thursday evening a large, happy and noisy crowd of young and old people gathered at the home of Louis Scheufler expressly for the purpose

of celebrating Mrs. Scheufler's birthday. When the noisy bunch began pouring through the doors Mrs. Scheufler became so shocked that it took several hours for her to overcome the event but the visitors just took possession of every spare inch in the house. Games were selected as time killers in which every one did full justice. After the games were disposed of a very fancy lunch was served, consisting of cake, very hot coffee, water and many other goodies. Finally Mrs. Scheufler overcame the shock and proved herself the best entertainer of the season. We are all awaiting the return of next November.

### Obituary

One of the largest attended funerals was that of Miss Katie Koehler who died Thursday morning at eleven o'clock in Medford Okla., where she went with her mother for the benefit of her health. She seemed to be improving rapidly when suddenly she took a sinking spell and died without gaining consciousness. Thus death came suddenly without warning to her sisters and brothers.

About two months ago she had a stroke of paralysis, coming upon her suddenly while washing dishes one evening. This effected her right side and her speech and she suffered greatly during her illness. And although her affliction was very severe death was not expected and her friends were shocked to hear of it.

Katie Koehler was born in Illinois May 4, 1873, and when she was a few years of age came to Kansas with her parents locating on the farm four miles north of town which has been her home up till her death. She was for several years in the millinery business in our city with her sister Marie. And, through her social and business life has made many warm, loving friends. She was a girl of sweet disposition loving and kind and has always proven a warm friend to her friends. She was a devout member of the Catholic faith

and her Eternal future is bright. She leaves a mother, one sister and four brothers to mourn her loss. Funeral services were held in the St. Peter and Paul's Catholic church Sunday afternoon at three o'clock. Father Weikmann rendering the last service. Ellinwood Leader.

The Misses Emma and Hulda Schneier went to Macksville Saturday for a visit with their sister, Mr. Arthur Wright and family.

Mr. and Mrs. Wm. Hampel were here from Grant township last Saturday the guests of Mr. and Mrs. Henry Moore.

## We Have Got It!

Black Hawk manure spreaders, none better; Lightning Pitless Scales, Fuller & Johnson pump engine, Charter Oak and Bain wagons; Fairfield Truck Wagons, Sandwich corn shellers and feed grinders.

All of the above articles are in season, and we will be pleased to show you this line.
